

JOB DESCRIPTION FOR CHALLENGE COURSE BUILDER

POSITION TITLE: Challenge Course Builder

SALARY: Commensurate with experience.

BENEFITS: Room and Board is provided while traveling. A Workman's Compensation insurance plan is provided. A group health insurance plan is available with AEI contributing 60% of the premium. Paid vacation per longevity

POSITION SUMMARY: The Challenge Course Builder will have a broad range of skills and knowledge concerning the outdoors and challenge courses. This position requires adaptability due to the multi-faceted nature of the company, and travel is a requirement because of the geographical location of our clientele. The safety of our staff and clients is of utmost concern while instructing or constructing. The Challenge Course Builder is responsible to the Construction Foreman.

ILLUSTRATED DUTIES:

- 1) Construct challenge course elements as well as other Structures as per AEI needs;
- 2) Actively market the sales of courses;
- 3) Assist in maintaining hardware and materials inventory;
- 4) Conduct challenge course inspections;
- 5) Assemble challenge course products;
- 6) Complete clerical work within the office setting;
- 7) Interact with clientele (i.e. consultation, challenge course sales, publications, equipment/hardware inventory and orders);
- 8) Stay current with the practices of challenge course design, construction, and facilitation;
- 9) Provide a safe and healthy experience for clients;
- 10) Be proficient in the wilderness skills which the program offers;
- 11) Maintain a good working relationship with other staff;
- 12) Make good, sound, safe decisions;
- 13) Maintain good physical condition;
- 14) Follow the guidelines as set forth in the AEI handbook;
- 15) Other duties as assigned.

POSITION REQUIREMENTS:

MUST HAVE TWO OR MORE OF THE FOLLOWING:

- a) General construction experience.
- b) Challenge course construction experience.
- c) Experience with supervision of children and adults.
- d) First Aid training.
